

Note before filling this form:

A Road Occupancy Permit is required for any activity likely to impact on traffic flow, even if that activity takes place off-road.

If required to carry out any intrusive digging in the public road or footpath, a separate application is also required for a **Road Opening Permit**. Separate applications are required for each road occupation.

Council recommends lodge your application online via Council's [ePathway Portal](https://epathway.liverpool.nsw.gov.au/ePathway/Production/web/) (<https://epathway.liverpool.nsw.gov.au/ePathway/Production/web/>). By using online lodgement, Council will receive your application in real time. This will save the administrative time and shorten your approval time.

If the proposed works be commenced within the next Five (5) working days, please urgently contact Council on 1300 36 2170 to discuss options for your works.
